

IIITB Deferred Placement Policy

Objective:

To support graduates of IIIT Bangalore who wish to be entrepreneurs, and provide them a backup in case their venture fails or if the graduate wishes to opt out of his startup venture

Eligibility:

All graduates of IIIT Bangalore's full time programmes - which currently receive the institute's placement support - who become entrepreneurs. They continue to be eligible for support under this policy for a maximum period of 2 years from their graduation date.

Highlights:

- A student in his or her final year at IIIT Bangalore can opt out of the placement process for that year by opting for the 'deferred placement programme'.
- Graduating students have to make the choice before the start of the placement process.
- The deferred placement programme is open only to such graduating students who become entrepreneurs by starting a venture of their own or joining a startup (less than 3 years old) as a co-promoter.
- The graduating students have to give a proof of their start-up during their internship period in the final semester (6 months)
- After opting for the deferred placement policy, and starting his / her own venture, if the graduate decides to terminate his / her association with the startup, he / she can approach the institute for inclusion in the next placement cycle.
- Such an option would be open to the graduate for upto 2 years from the date of graduation.
- The graduate must provide proof of his dissociating from the startup venture while requesting inclusion in the institute placement process.
- He / she must agree to follow the rules of the institute placement process in force at that time.
