

There are many things that make us one of the finest research-led innovation institutes in India.

Welcome to the world of International Institute of Information Technology Bangalore (IIITB). Intersecting between technology and society, IIITB has grown in stature to become an institution of considerable repute with its unique model of education, research, and industry interaction.

## What makes us a winner:

### Research Focus

Research is the driving force at IIITB which has 3 key research centres and multiple labs managed by a world class faculty.

### A World-Class Faculty

IIITB prides in its outstanding faculty drawn from some of the best institutions across the world.

### 100% Placements

Over the years, IIITB has recorded 100% placement with major companies in the areas of product, hardware, research and development consistently visiting the campus.

### Innovation Hub

IIITB Innovation Centre collaborates with exceptional researchers, innovators, entrepreneurs, users, communities to co-create knowledge and socially-relevant solutions using cutting edge technologies for a wide range of social needs.

### Centrally-located green campus

IIITB offers a world-class infrastructure and an ambience conducive to teaching, learning and research for both the students and faculty. The 9-acre main campus is located in Electronic City, the heart of the IT Industry in Bengaluru.
